ENVIRONMENTAL POLICY

Moshi Moshi Retail Corporation Public Company Limited ("**The Company**") is committed to developing, elevating, and enhancing operational efficiency across its entire value chain to effectively manage relevant environmental issues, thereby ensuring alignment with The Company's sustainable development policy and the United Nations Sustainable Development Goals (SDGs). The details of the Environmental Policy are as follows:

1. The Company adheres to and complies with all national laws, regulations, and environmental standards recognized at both industry and national levels, including environmental management measures related to The Company's operations, ensuring full compliance and maintaining operational performance within prescribed criteria.
2. The Company promotes and supports sustainable supply chain management alongside the procurement of environmentally friendly goods and services, including environmental innovations that mitigate environmental impacts and support greenhouse gas (GHG) reduction targets, while promoting clean energy, energy conservation, and efficient resource utilization to reduce greenhouse gas emissions and contribute to climate change mitigation.
3. The Company focuses on minimizing resource consumption by integrating the 3R concept (Reduce – Reuse – Recycle) into its operations.
4. The Company promotes sustainable sourcing of goods and related materials, including environmentally friendly products developed in collaboration with manufacturers to champion sustainable resource management practices.
5. The Company manages and enhances the efficiency of its logistics and distribution networks to ensure environmentally friendly operations.
6. The Company fosters environmental awareness among all employees, encouraging them to consider environmental impacts and actively participate in protecting natural resources and the environment.
7. The Company shall operate in strict accordance with environmental laws and other relevant regulations.

This Environmental Policy shall be effective from September 25, 2023, onwards.
